OUR 4 DISTRICTS

DISTRICT	MEET-UP POINT	DISTRICT LEAD	LEAD CONTACT
MILE DISTRICT			
PHARMAFIT DISTRICT			
PANSHEKE DISTRICT			
FUNAAB DISTRICT			

Our rhythm

- Every Saturday morning: 6:45 check-in, 7:00 warm-up, 7:15 run, 8:15 cooldown, 8:30 coffee and social. Evening or special events show their own times on their card.
- Four event types each month: Community Improvement, Sponsor Run, Signature Event, Community Challenge.
- A fifth Saturday is an optional extra slot, left open until organisers confirm it.
- Only confirmed events have ADD TO CALENDAR buttons. The .ics files add a 30-minute reminder to each.

MONTHLY EVENT STRUCTURE

Four pillars, plus an optional fifth Saturday

COMMUNITY IMPROVEMENT

Improve technique, confidence, consistency and personal performance.

Beginner-friendly runs and PB work, drills and form coaching, individual goals, monthly progress check-ins (distance or time), short talks on nutrition, recovery and injury prevention.

SPONSOR RUN

Connect the community with partner brands and local businesses.

Group run to a sponsor's shop, business or venue. Photo and content for the sponsor. Post-run giveaways, offers or discount codes. Record sponsor, destination, meeting point, content lead and giveaway details.

SIGNATURE EVENT

A memorable event members look forward to. Organisers choose the format for each confirmed date.

Timed 5K Challenge, Charity or Cause Run, Themed Fun Run (costume, daybreak, night), or Social Day (breakfast, music, games). Record format, theme or cause, distance, venue and partners.

COMMUNITY CHALLENGE

Build endurance, accountability and stronger relationships.

Long run, hill run or interval session. Member spotlights and milestone shout-outs. Buddy-up or volunteer support. Record format, distance or intensity, lead runner and buddy assignments.

MONTHS WITH FIVE SATURDAYS

The fifth Saturday is an extra slot: another Community Improvement or Sponsor Run, a special Signature Event, a Community Challenge, or a collaboration or celebration. It stays an unconfirmed planning slot until organisers confirm the details.

CONFIRMING OR ADDING AN EVENT

Typing in this PDF only changes the PDF. Changing a Status dropdown here does NOT create or remove calendar links, because a PDF cannot rebuild its own links or the .ics files. To confirm an event, update its record in the Event Manager dashboard. The database, PDF, Google links and .ics files stay permanently synchronized. Planning, TBC and cancelled events never get links or .ics entries.
